

# PSG Cloud

**Chandra Shekar Reddy**

**06/05/2018**

STYLESYOU.org\_A full cloud service company

# PSG Cloud Purpose

- Move PSG applications and laboratories to a software defined network.
- Bring out innovation, reduction in operation time, and in TCO ( total cost of ownership).
- Achieve a drastic reduction of 60-70% operation time for lab assistants and to perform lab management activities.
- Reduce purchase cost of hardware resources up to 30-40%.

# How does cloud help students?

## Accessibility

Existing	Proposed
Students unable to access the information from all the locations.	Students can login and access the information from anywhere within PSG network.
Need external devices such as hard drives or USBs to store and access the information.	Eradication of personal hardware dependency to store and access information.
